DID YOU KNOW?

Safe Haven's skilled staff and volunteers believe that, by working together, we can inspire change, one life at a time. Here's why Safe Haven exists in your community:

- Domestic violence and sexual assault cross all socio-economic, cultural and religious lines
- Every 15 seconds a woman is battered in the United States
- Every 2 minutes someone in the United States is sexually assaulted
- 3.3 million children witness domestic violence each year
- 1 in 4 girls and 1 in 6 boys will be sexually abused before they are 18
- 97% of all rapists never spend a day in jail
- Only 10% of all sexual assaults are reported to the police; 4% if the victim knows the attacker
- In Connecticut there are over 20,000 arrests annually for domestic violence
- Up to 50% of all homeless women and children are fleeing domestic violence

ARE YOU A VICTIM?

Does a person you love...

- Make all the decisions?
- Control what you do, who you see, where you go, who you talk to?
- Constantly accuse you of being unfaithful?
- Look at you in ways that are meant to frighten?
- Hit you in places where bruises won't show?
- Destroy your property or threaten to kill you or your pets?
- Call you names, kick, shove, punch, choke, spit or throw things at you when angry?
- Deny their abusive actions or worse yet, say that you exaggerate their behavior?
- Threaten to harm you or your children?
- Force you to have sex?
- Grab you or push you against walls or furniture?
- Say it's your fault when verbal, emotional, or sexual assaults take place?

If you said yes to even one, you may be in an abusive relationship.
