#### ***What's Blitz Week?***

A week-long focus on spreading the word about the **Summer Meals Programs** through outreach events in different locations across CT. The Summer Meals Programs provide FREE, federally funded, healthy meals and snacks for children 18 and younger during the summer when school meals are no longer available. (There are more than 600 Summer Meals locations statewide!)

#### ***How you can help:***

Join EHC!, the CT Department of Education, and other partners by "pounding the pavement" and distributing Summer Meals outreach materials (flyers, postcards, bookmarks) with a team of volunteers in any of the 4 communities that are listed below. Volunteers are given a t-shirt, tote bags, and the outreach materials. We'll make sure you have everything you need to get the word out about these programs. All you need to bring is you and anyone else who would like to be part of this effort.
